Grando Nebbiolo Wine
NEBBIOLO GIFT CHESTS

GRANDO NEBBIOLO 2008 Santa Barbara County, CA
 A come-hither rich ruby color with garnet highlights first invites you to the glass and encourages a swirl. Aromas of rose hips and warm earth, garden spice and dried plum waft from the glass. A first sip delivers a textural yin-yang of bright acidity and dusty tannins that envelop and transport flavors of mulberry and tea, red plum skin and dried cherry, blackcurrant and cassis. A thread of graphite-like minerality and hints of tar linger on the finish. The acidity and tannins in Nebbiolo beautifully complement rich, meaty dishes.

Grando Arneis Wine
ARNEIS GIFT CHESTS

GRANDO ARNEIS

2011 Santa Barbara County, CA

A steely, straw-like color invites a swirl, which unleashes a delicate and floral nose of bee pollen, pear blossom and kaffir lime. The first sip rewards the palate with complex layers of flavors and texture – soft Anjou pears, clementine peel, spicy notes of white sage, and nuances of brazil nuts. The rich flavor profile is enveloped by both a lilting acidity and a creaminess, and finishes with a persistent and lingering minerality. This is a medium-bodied, complex and intriguing wine that can be enjoyed chilled or at room temperature, enjoyable now or cellared for 1-2 years. Arneis is a superb complement to rich foods.

Grando Cioccolato Custom Chocolate Purses
Grando Jewelry Custom Purses

Academy Awarded Winning Producer Jon Landau commissioned Grando Cioccolato to produce a 3D custom solid Italian Chocolate replica of his family for their 2013 "Sweet Holiday" Gifts.

Created for the L.A. Philharmonic Interational Committee

Grando Cioccolato™ History began as my personal quest to find high quality Italian chocolate in the United States which I had grown accustomed to during my trips to Italy for business and to visit my husband Stefano's family in Bassano Del Grappa, Italy. Stefano provided me with his family's recipes for cioccolatini. Then, to learn the craft I began to work with master chocolatiers and food scientists who taught me that chocolate was the most difficult food product to work with as it was truly food science. From there I chose the finest organic beans roasted in Italy & directly import them into my commercial kitchen in Santa Barbara where I produce handmade artisan Italian chocolates. In my first year Grando Cioccolato has had the opportunity to support numerous events from the Santa Barbara Wine Festival, to Wolfgang Puck Catering Cal Spirit's Event by hosted by Barbara Lazaroff and Sherry Lansing, and The Italian History Museum, In the past year I was honored to be commissioned to create customized chocolates for Academy Award Winning Producer Jon Landau to celebrity stylist/ designer Dominie Luxury; in addition to, custom chocolates for events at the Bel-Air Hotel, Beverly Hills Hotel and the Los Angeles Philharmonic. Responding to a buyer at Warner's Brothers request for a Grando Cioccolato wine and gift set I worked diligently for the past year to create a custom Grando gift box for Grando Cioccolato & the finest red and white Italian Varietal Wine outside of Italy according to the wine buyer at Spago. Like with everything else no one does it alone, so I have to thank my husband Stefano is my official translator, taster and chocolate bar wrapper, along with my son Mikele who is my website designer, developer and event planner. Being married to an Italian man for over 25 years I learned that Italian families & friends lives revolve around fine food. So, it is my wish that Grando Cioccolato will bring your friends and family closer together in a manner that warms your palettes and your hearts.
